

WE TAKE COMPANIES FROM INNOVATION TO EXCELLENCE

With an eye to the latest trends and leveraging the vision of our founder, we have become the experts in panning through the rubble of risk to extract the gold of opportunity.

WHO WE ARE

King & Bay is a merchant bank that specializes in identifying, funding, developing and managing resource and technology business opportunities. We take a holistic approach to working with our clients to emphasize the direct link between the end product, company management, the board of directors and, ultimately, the shareholder, which allows us to build long-term shareholder value.
